INDEX TO VOLUME 32 (1985)

AUTHORS—ARTICLES AND EDITORIALS

Antoine, Valerie 32(3)16
Benson, Phillipa J. 32(4)35
Bradford, David B. 32(1)13
Carliner, Saul 32(2)8
Dye, Kenneth L. 32(4)40
Feinberg, Susan 32(2)21
Glassman, Myron 32(4)8
Goldman, Jerry 32(2)21
Grice, Roger A. 32(1)7
Grodsky, Susan 32(2)26
Krull, Robert 32(4)29
Lewenstein, Bruce V. 32(1)23
Little, Raymond Q. 32(3)8, 32(3)11
MacIndoe, C. Scott 32(3)7
Mann, Michele H. 32(3)14
McVey, Gerald F. 32(4)21
Meyer, Benjamin D. 32(2)12
Mills, Carol B. 32(4)40
Murch, Gerald M. 32(4)14
Pinelli, Thomas E. 32(4)6, 32(4)8
Putnam, Constance E. 32(2)17
Redish, Janice C. 32(4)46
Ridgway, Lee 32(1)19
Roundy, Nancy 32(1)26
Rubens, Philip M. 32(4)29
Sachs, Harley L. 32(2)15
Selzer, Jack 32(4)46
Smith, Frank R. 32(1)4, 32(2)4, 32(3)4, 32(4)4
Smith, Michael S. 32(3)8, 32(3)11
Soderston, Candace 32(1)16
Wight, Eleanor 32(1)9
Wilmot, Ross 32(2)31

SUBJECTS—SHORT TITLES

EDITING

Editing through market research 32(1)19
How to edit the passive writer's work 32(3)14
How to proofread 32(1)23
Myths about editing 32(2)17
The usability edit—a new level 32(1)16

EDUCATION AND TRAINING

Content for a course in technical communication 32(2)21
Teaching technical communication in China 32(2)31

FORMAT

Format of **Technical Communication** 32(1)4
Structuring effective reports 32(1)26

GRAPHICS

Application of research to online displays 32(4)29
Functional art in manuals 32(1)9
Legibility in film-based and television displays, 32(4)21
Using color effectively: designing to human specs 32(4)14
Writing visually: design in technical publications 32(4)35

INDEXING

Indexing technical communications: what, when, how 32(2)26

MANUALS

An assessment of functionally oriented manuals 32(3)7
Creativity in manual writing 32(1)9
Developing a customer service manual 32(2)8
Editing manuals for usability 32(1)16
The hardware conspiracy 32(2)12
An interactive FOMM system 32(3)11
Persona in technical manuals 32(1)13
Software documenter: new specialist 32(3)16
Special section: functionally oriented manuals 32(3)
User analysis in manual writing 32(1)19

PROFESSIONAL DEVELOPMENT

Don't be a hermit 32(3)4

PROOFREADING

How to proofread 32(1)23

REPORTS

Structuring effective reports 32(1)26

RESEARCH

Application of research on document design to online displays 32(4)29
Content for a course: results of a survey 32(2)21
Introduction to the research process 32(4)8
Legibility in film-based and television displays 32(4)21
Review of research on readability 32(4)46
STC's role in research 32(4)6
Special Issue on 32(4)
Summary of research findings on document design 32(4)35
The importance of research in technical communication 32(4)4
Usability testing and research 32(4)40
Using color effectively: designing to human specs 32(4)14

TECHNICAL COMMUNICATION PROFESSION

How much do you make? How much are you worth? 32(2)4
Software documenter: new specialist 32(3)16
The communicator and survival of technology 32(2)15
The importance of research in 32(4)4
The technical writer as renaissance man 32(1)

WRITING

Creativity in manual writing 32(1)9
Functional writing in manuals 32(1)13
Research on readability indexes 32(4)46
Special section: technical writer as renaissance man 32(1)
Structuring effective reports 32(1)26
The software documenter: new specialist 32(3)16
Usability testing for rewriting 32(4)40
User surveys in manual writing 32(1)19
Writing visually: design considerations in publications 32(4)35

DEPARTMENTS

Among the Professions

Technical communication and history 32(4)68
Technical communication and rhetoric 32(1)30
Technical communication and the law I 32(2)48
Technical communication and the law II 32(3)37

Book Reviews, 32(1)33, 32(2)41, 32(3)26, 32(4)59

Computers and Communication

Driving a typesetter 32(2)50
If I ran your pubs department—installment 2 32(1)39
Reading the documentation 32(4)61
What problem are you trying to solve? 32(3)38

Correspondence, 32(1)2, 32(2)2, 32(3)4, 32(4)4

Current Research in Technical Communication

Research in collaborative writing 32(4)69

Editorials

About that [blank] cover...32(1)4
Don't be a hermit 32(3)4
How much do you make? How much are you worth? 32(2)4
The importance of research in technical communication 32(4)6

Models for Technical Communicators

Dr. Lewis Thomas: popularizer of science 32(4)72
JFK and team: effective style through parallel structure 32(2)64
Metaphor in science writing 32(1)48

Recent and Relevant, 32(1)30, 32(2)38, 32(3)20, 32(4)53

Slaying the English Jargon

Hyphens 32(1)42
Just in case 32(3)45
What's the rule on the virgule? 32(2)49
Who cares about whom? 32(4)67

Status of Technical Manual Specifications and Standards, 32(1)38, 32(2)41, 32(3)24, 32(4)56

A Teaching Tip

A monologue-dialogue workshop for teaching editing 32(4)66
Teaching infinitive phrases 32(3)44
Teaching interview strategies for technical editors 32(1)43
Use Piaget's theories to teach technical description 32(2)47

SOCIETY NEWS

32nd International Technical Communication Conference 32(1)45, 32(2)54, 32(3)47; abstracts 32(3)59
President's plans—1985-1986 32(3)58
President's report—1984-1985 32(3)53
